

# An Ideal Onboard Solution for Railway Passenger Information System

## EN50155 IP67 Managed Ethernet Switches

- Robust Switch with M12 and Fiber Optics connectors, IP67 rating, wide operating temperature (-40 to 75° C), and redundant power inputs
- EN50155 compliance for railway application requirements
- Supports Advantech X-Ring to maintain highly reliable transmission quality

**EKI-6558TI**

EN50155 IP67 8-port M12 Managed Ethernet Switch

**EKI-6559TMI**

EN50155 IP67 8-port M12+2-port Fiber Optic Managed Ethernet Switch
